- 1.5 hour time limit per table

CURBSIDE...

- Curbside is available Tuesday through Thursday beginning at 4:30pm. Friday & Saturday beginning at noon.

OUR PART...

- We have installed an air management system in all of our restaurants that provides a TRIPLE attack on bacterias & viruses. It cleanses and disinfects the air as well as monitors the air quality in real time.
- Additionally, we are continuing to utilize table partitions, disposable menus, staff temperature checks, hand sanitizers at all entrances and exits and following strict sanitation practices on tables, chairs and commonly used areas.
- Throughout this pandemic the health and safety of our customers and staff has been our main priority. We have closely and consistently followed the CDC's recommendations over time. Given the updated guidance, we will no longer require fully vaccinated guests to wear face masks. In keeping with the CDC guidelines we strongly encourage our guests who are not fully vaccinated to continue to wear a face covering when not seated at their table. Thank you!
- If you are dining outdoors please dress warmly and feel free to bring a blanket.

We hope these measures will help you to feel safe and comfortable while dining with us.
